THE TWO COUNTIES TRUST ADMISSIONS POLICY: PART 2 SWANWICK HALL SCHOOL 2022-23

Date of issue: 01/02/2021

SWANWICK HALL SCHOOL Ambition | Teamwork | Honesty

Note: This section of the Admissions Policy explains how The Two Counties Trust Admissions policy applies in Swanwick Hall School, including how admissions are prioritised.

1. Introduction to the school

Welcome to Swanwick Hall School. Our priorities are simple: to enhance the life chances of the 1275 wonderful young people that attend our school. We do this by providing a very well taught and stimulating curriculum, with a wide range of enrichment opportunities within a well ordered and caring environment. We expect our students to attend school regularly, on time, in uniform and with the right equipment, ready to learn and engage with the opportunities that we provide for them.

2. Planned Admission Number

The planned Admission Number (PAN) for entry into 2022/23 in this school is: **213**

3. Criteria for prioritising admissions in Swanwick Hall School

The following criteria, in the order listed, will be used to allocate places if there are more applications than places available:

- Looked After Children and all previously Looked After Children, including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.
- Children living in the normal area (see note one) served by the school at the time of application and admission who have brothers or sisters (see note two) attending the school at the time of application and admission.
- Children living in the normal area (see note one) served by the school at the time of application and admission.
- Children not living in the normal area (see note one) served by the school but who have brothers or sisters (see note two) attending the school at the time of application and admission.
- Other children whose parents have requested a place.

Children with Education, Health and Care Plans (EHCP) have a different admission process. If a child has an EHCP or parents are in the assessment process, it is important to have a discussion with the Headteacher about what to do next. There is more information in Part 1 of this policy.

In the event of that there are more applications than places available, Swanwick Hall School may need to ask for proof of the following when applying the criteria for prioritising admissions:

- Address
- Child's date of birth
- Copy of an adoption order, residence order or special guardianship order and a letter from the
- Local Authority that last looked after the child confirming that (s)he was looked after immediately prior to that order being made.

4. Significant Change of Circumstances

If a change of circumstances takes place after the closing date for applications but before all places have been allocated, then the change of circumstances will be taken into account within the allocation process.

If a change of circumstances takes place after all places at the school have been allocated the application will be added to the waiting list in a position which reflects the published priority criteria.

5. Appeals

Parents who have been refused a place at the academy have the right to appeal this decision to an independent panel. Parents wishing to appeal should complete the appeal form, which can be found on the academy's website.

Children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been looked after and those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted

[*State Care - a child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.] (i.e. charity group that benefits society) but does not include private fostering whether in England or from outside of England.

7.2 Parent

Section 576 of the Education Act 1996 defines 'parent' to include; all natural parents, whether they are married or not; and any person who, although not a natural parent, has parental responsibility for a child or young person; and any person who, although not a natural parent, has care of a child or a young person. Having parental responsibility means assuming all the rights, duties, powers, responsibilities and authority that a parent of a child has by law. People other than a child's natural parent can acquire parental responsibility.

7.4 Distance

In the event of over-subscription within any criterion, preference will be given to children who live nearest. Distance will be measured using the residing Local Authority distance calculation software.

The Children's Services Department has a Geographic Information System (GIS) to measure the straight line distance. It is measured by a standard straight line distance calculated to within two metres. This measurement is taken from the postal address file, normally the house front door. For schools the grid reference is taken from the postal address file and will normally be the nearest gate or entrance.
